

“Things Change - More Than Meets the Eye”

Enjoy a “taste” of how to get a possible \$30,000 to \$50,000 increase in your Social Security benefits.

You are cordially invited to an Educational and Client Appreciation event with Chasity Hooks, CPA and the Enterprise Consortium of the Gulf Coast Women’s Business Center. Join them for coffee and pastries with Joel Swinehart from National Financial Alliance, LLC, who will present a workshop on Social Security and how to fit it into your financial plan to best suit your needs and “tastes”.
